DETAILED ACTION

1. The terminal disclaimer filed on August 30, 2007, disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of the full statutory term of prior parent 7,105,082 has been reviewed and is accepted. The terminal disclaimer has been recorded.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

As indicated at page 6 of the Remarks accompanying the amendment filed on August 30, 2007, claim 1, the sole independent claim, has been amended to include the elements of claim 6 which rejected only on the ground of nonstatutory obvious-type double patenting. The terminal disclaimer has overcome this ground of rejection. Consequently, all claims are deemed to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
